ABOUT ME

Passionate about technology and problem solving with a deep focus on computer science. I enjoy developing innovative solutions to real-world problems and have strong curiosity to explore emerging technologies. Currently seeking internships where I can learn, grow, and contribute with enthusiasm while proving myself worthy through dedication and skills.

EDUCATION

Vellore Institute of Technology, Vellore
B.Tech in Computer Science – CGPA 9.13

Aug 2023 – July 2027
Vellore, India

The Vedanta Academy (CBSE)
